### **About CEMATRIX**

CEMATRIX is a rapidly growing company that manufactures and supplies technologically advanced cellular concrete products developed from proprietary formulations across North America. This unique cement-based material with superior thermal protection delivers cost-effective, innovative solutions to a broad range of problems facing the infrastructure, industrial (including oil and gas) and commercial markets. Through recent acquisitions of Chicago based MixOnSite and Bellingham based Pacific International Grout, CEMATRIX is now North America’s largest Cellular Concrete company.
