PRESS RELEASE

CEMATRIX Corporation Announces New Orders

Calgary, Alberta – July 22, 2008: CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**”) is pleased to announce that the Corporation’s wholly-owned subsidiary, CEMATRIX (Canada) Inc., has received new orders for the supply and placement of cellular concrete in the amount of \$2.36 million dollars. These new orders/projects are mainly for oil sands and refinery projects in the Fort McMurray and Fort Saskatchewan areas of Alberta, but also include municipal infrastructure projects as well.

CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution as a replacement for rigid and other insulating materials in frost-susceptible or permafrost conditions. Cellular concrete is also used in void filling situations and as a replacement for granular fills and weak or unstable soils.
