## NEWS RELEASE

### **CEMATRIX Corporation Announces \$1.8 million Of New Contracts**

**Calgary, Alberta – August 12, 2014:** CEMATRIX Corporation (TSXV: CVX) (the “**Corporation**” or the “**Company**” or “**CEMATRIX**”) is pleased to announce that its wholly owned subsidiary, CEMATRIX (Canada) Inc. has received signed orders for infrastructure projects in the amount of \$1.8 million in aggregate, bringing this year’s total contracted work to \$6.3 million.

“These new contracts are infrastructure in nature and relate to projects in Canada and the United States, which highlights the continued acceptance for the Company’s cellular concrete for various types of infrastructure applications,” stated Jeff Kendrick, CEMATRIX President and CEO.

**CEMATRIX is an Alberta corporation with its head offices in Calgary, Alberta. The Corporation, through its wholly owned subsidiary, is a manufacturer and supplier of technologically advanced cellular concrete products with applications in a variety of markets, including oil and gas construction and infrastructure construction. Cellular concrete provides a cost and labour saving solution for various construction applications. Applications for cellular concrete include tunnel grouting; bridge abutment and retaining wall backfill; insulation of shallow utilities, roads and runways; insulation and/or structural foundations for tank bases and facilities; and as a floating base over weak and unstable or seismic prone soils, for roads and other types of infrastructure.**
