CEMATRIX Announces $8.2 Million in New Contract Awards

$34.4 Million YTD in New Contract Awards

Calgary, Alberta – August 20, 2026 – CEMATRIX Corporation (TSX: CEMX) (OTCQB: CTXXF) ("**CEMATRIX**" or the "**Company**"), a specialty construction contractor that produces cellular concrete solutions on site and is a leading manufacturer and supplier of cellular concrete in North America, announces that it has won $8.2 million in new contract awards.

New Contract Award Details:

The awards are in the form of contracts and contracts in process. Some of the work related to these awards is expected to be completed in 2026 and some will be in 2027. The larger awards include:

- An increase in scope for a tunnel grouting project;
- A load reducing fill application for a seawall project;
- A load reducing fill application for a tank base project;
- A grouting application for a pipeline project;
- The remaining awards are small to mid-sized projects for lightweight fill applications in Canada and the US.

These awards continue to demonstrate the trust that our customers have in CEMATRIX's sales and operations teams to consistently deliver quality solutions for their geotechnical construction needs. We continue to see strong bidding activity and a robust sales pipeline well into the future.

"We focus on providing value to our customers, by consistently delivering quality, cost-effective cellular concrete solutions to their geotechnical challenges. Every successfully completed project strengthens our reputation and makes the next sale easier," stated Mr. Randy Boomhour, President and CEO of CEMATRIX Corporation.
